SENIORS

The gate to fame is open Seniors,
Good luck for you for many a day.
When you recall your memories
Of dear old Liberty you'll say—

"From you I gained my knowledge wide,
From you my pleasures small and great
You are the source of all my pride,
You are the one who turned my fate."

And through your years of work and strife,
For one goal you have worked and slaved
And now you are enjoying life—
The open road to fame is paved.

And from your school you now do part
To mystic worlds so strange and new
And on the road of life you start—
Fame and Success! Seniors! Here's to you.

Harry Cordua

The senior class has had a very busy year. A skating party and an informal dance were given in the fall. They found the seniors in the midst of commencement arrangements. Graduation came on June 6. The class also tied for first place in the inter-class track meet.

That did they do?

We are the Juniors.

The Freshman

The freshman class is lots of fun,
Though some may think it not so gay.
And then when all our work is done,
There comes to us another day.

Though seniors always have their way,
Where ever freshman are concerned.
We may be one of them some day,
But yet there's lots that must be learned.

We like to do our part in track,
And take the bumps that cross our path.
We fight our troubles back to back,
And never to others reveal our wrath.

We love our teachers one and all,
We know that they forgive our wrongs;
Though sometimes we may seem to fall,
We're always ready with our songs.

And now though some may judge us wrong,
We really aim to do our best;
So won't you help us all along,
And see if we don't pass the test?

--Virginia Parker

The freshman class has already proved itself a wide awake group. Members of the class participated in the Parents' Night, Christmas Party, and Girls' League Ti Jinx programs. Jack Viern was the first president of the year, but, due to ill health, Virginia Parker, who was vice-president, took his place. Virginia moved to Stockton and Olive Armstrong was elected president. Blanche Rugh, previously the secretary-treasurer, went to Chico and Myrtle Richardson was elected to fill her place.
The Sophomores

We Sophomores are a jolly bunch
And always have our fun,
But try to beat us at scholarship—
We show it can't be done.

We lead the school in banking, and
In every indoor sport,
And as our school plays tennis too
We lead them on the court.

We have some sturdy athletes
And brilliant scholars too,
We think our major teacher is
The best in school, don't you?

The Sophomores, truly, are the best
Their spirit is a treat,
And when it comes to sportsmanship
The Sophomores can't be beat.

James Glenn Cooper.

The Sophomores are proud of having had 100% in banking throughout the year. In the fall they gave an informal dance honoring the juniors. This class is slowly making itself known. Each member is an enthusiastic supporter of the student body.
STUDENT BODY

James Columbo------------------------------------President
Marjorie Hannum-----------------------------------Vice-President
Vivian Bonnickson-----------------------------------Secretary
Paul Gambs----------------------------------------Sergeant-at-Arms

Under James Columbo the student body has had a very successful year. Student government has helped the students to develop initiative and cooperation. Miss Louise Blake is the advisor.

Rallies, athletic speeches, and programs have kept the meetings full of pep. Although the athletic teams have been unfortunate in winning championships, the school spirit has been kept on fire. The managers of the teams gave several speeches in assembly. Mr. E. G. Nash spoke several times to encourage ticket sales and student participation in school events.

Representatives from the Tribune newspaper, Oakland, gave an interesting exhibition of model aeroplanes and encouraged the formation of an aeroplane club. Mrs. Johnson, state thrift representative, spoke to the students on the necessity of banking in the schools.

Additional members are Iola Drinfty, Myrtle Middleton, Clarence Baxter, Olive Armstrong, and James Columbo. Robert Walker resigned to become Athletic Manager. Mr. E. G. Nash and Miss Louise Blake are the faculty members.

Girls' League
The purpose of the California State Scholarship Federation is to encourage a high standard of scholarship in the secondary schools of California.

The Liberty Union High School joined the society chapter 150, February 25, 1927. Membership is not only based on scholarship, but also on extra-curricular participation. The annual convention was held at Chico, April 12. Virginia Carpenter was elected delegate and Marjorie Hannum as substitute. Miss Marie Quinn is the advisor. Those obtaining membership this year are: Olive Armstrong, Virginia Carpenter, Della Crocco, Nola Frey, Marjorie Hannum, Helen McKenzie, Cebie Parker, Virginia Parker, Twila Richards, Jack Vance, and Henry White.

Girls' League

Theo Ella Thompson---------------------President
Iola Dainty-----------------------------Vice-President
Ruby Frey-----------------------------Secretary-Treasurer
Sayde Cooper---------------------------Social Chairman

The Girls' League is an organization composed of the girls of the Liberty Union High School. The purpose of this league is to forward, at all times a clean, moral, uplifting spirit among the girls. A few changes have been made in the constitution. The qualifications for officers have been changed, and an amendment is to be added which will require a Girls' League Council. This council is composed of one girl from each class, the secretary, the president, and the Dean of Girls. Miss Margaret Manley is the advisor as well as the Dean of Girls.

On September 28, Geraldino Rowe, Marjorie Hannum and Miss Manley attended the Annual Girls' League Conference at Alameda. A mother-daughter Hi Jinks was held on February 28, in the auditorium. A short program was sponsored by the girls. The freshman class won the prize for the best skit. Gwendolyn Richardson, Myrtle Richardson, and Rona Ohnstedt won prizes for their costumes. Dancing and refreshments followed the program. On May 2, the girls again entertained their mothers at a spring tea. A program was given and Mrs. A. H. Taylor, gave a short talk on "Modern Books." A play, "Pierrot's Mother," was also presented, and Mr. Jack Manley played several violin solos. The following officers for 1931 were installed:

Marjorie Hannum---------------------President
Vivian Bonnicksom-------------------Vice-President
Olive Armstrong---------------------Secretary-Treasurer

COMMERCIAL CLUB

Geraldine Rowe---------------------------------------------------President
Sayde Cooper---------------------------------------------------Vice-President
Eileen Hanson---------------------------------------------------Secretary
Lorrene Kuiiland------------------------------------------------Treasurer

Among the new clubs organized this year at the Liberty Union High School was the Commercial Club. This club replaced the Klicking Keys Klub. The membership includes the typing, shorthand, and bookkeeping students. The sole purpose of this organization is to familiarize the students with the everyday problems of business and to prepare them for the commercial world.

On the first of February, the club made a trip to San Francisco. Mayor Rolph was interviewed. A visit was made to the Bell Telephone Company and the Sea Island Refinery. A sightseeing tour of the city and a theater party completed the day's pleasures.

The Sterling Company of Stockton made it possible for the club to sponsor a fashion show on May 21, in the school auditorium. Those who modelled were: Sayde Cooper, Lucille Trembley, Geraldine Rowe, Della Crocco, Rena Ohmstede, Evelyn Johnson, Ruby Frey, and Eileen Hanson. Dances and entertainments were given before the student body during the noon hour and at other convenient times. A picnic was given at Marsh Crock Springs on April 6. A monthly paper, the "Hustler" was published by the club.

The annual North Bay and Contra Costa County Typing Contest was held April 5. Eight students made the trip to Martinez. Geraldine Rowe was awarded a gold medal for accuracy. Miss Mane was the advisor to the club.

THE SCIENCE CLUB

President-------------------Julien Wagenet
Vice-President------------Donald Kruiland
Secretary and Treasurer--Grace Columbo

This club, directed by Mr. Bernard Callaghan, was organized to create a greater interest in science. Only general science students are eligible. The members spend their meetings in volunteer project work. It is hoped that this practical work will encourage more students to continue their scientific studies.
The Block L was organized to foster and to advance athletics and good fellowship among the boys. Any boy awarded the Block L is automatically elected to full membership in this organization. Initiation of new members, when desired, may be conducted between halves at basketball games or during informal school parties.

A hard times party was given April 16, in the gymnasium to which the school was invited. The girls brought box lunches which the boys helped to consume. A fishing trip was made by the boys in May. Mr. Frank Venderloe is the advisor. In addition to the officers the following are members: Loc Collins, Harry Cordua, Paul Gambs, Byron Houston, Donald Jacobson, Charles Post, Lloyd Thomas, and Lionel Thomas.

The Band holds an unusual position in the school. It is an activity for which the students receive credit. The Band has made great strides this year, under the direction of the new music teacher, Miss Marie Quinn. The students have played for various organizations of the town as well as for school entertainments. The members are as follows:

**Carnets**
- Leonard Augusta
- William De Kello
- Carl Hickelson
- Lawrence Trembley
- Ralph Lambdin
- Irene Richardson
- Mellophones
- Josephine Reichmuth
- Alvin Jesse

The students of the Liberty Union High School are exceedingly interested in Aeronautics. This club makes it possible for girls as well as boys, to make model aeroplanes and gliders. Under the direction of Mr. Raymond Graf the students are thus encouraged to prepare for aviation careers.

An exhibition of model planes was conducted by the Tribune newspaper, Oakland, in the high school auditorium.
The Jester Club was reorganized this year. A constitution was made and adopted. Membership is only granted to those students who have been in one major and several minor productions. The Hi Jinx and Student Body Play constitute major dramatic performances. Parents' Night, Freshman Reception and smaller affairs are minor productions. It is to be noted that the name of the club was changed. Although the club has not been very active as a group, all members have participated in programs more than on one occasion.

Next year the club hopes to select pins and sponsor several entertainments. Miss Louise Blake is the advisor. The public speaking class, consisting of members of the Jester Club, presented a one act play, "Mountain Magic," by Edith Daseking, November 7, before the Student Body.

The Service Club was founded in the fall of 1926 and is one of the most important clubs. It was formed to encourage student interest in school service, scholarship, athletics and conduct.

Pins are awarded each year. A member first receives a bronze pin and then a silver one. At the end of three years he is permitted to keep the silver pin.

Any student with average scholarship may join, providing the advisor sanctions his membership. At present there are twenty-four members. Sophomores, juniors and seniors are eligible. Miss Marie Quinn is the advisor.

Some of the definite requirements besides scholarship are: extra-curricular activities, attendance, athletic participation, and initiative in school affairs.
The purpose of this club is to provide recreation and fraternal relationship for vocational students; to create more interest in the application of intelligence and business principles to farming; to establish the confidence of the farm boy in himself and his country life and to promote scholarship and rural leadership for a better school and community. This organization has taken the place of the California Aggie Club which was formed in August, 1928.

Each year the Future Farmers make a three day trip. Last year they went to Yosemite, this year they went to Calaveras Big Trees. On December 7, four of the boys, as a judging team, went to Los Angeles to judge livestock. One of the most important events was the picnic, held at Davis on April 18 and 19. The boys judged fruit trees, and attended the convention of Future Farmers.

A border of black walnut trees was planted around the school grounds last winter. The trees are being watered and cared for by the members of the club.

A Father Son Banquet was held the night of May 9. Every Future Farmer brought his dad or uncle or a guest. On this occasion the eighth grade boys of the elementary schools of the entire district were also guests.

School Banking, under the auspices of the American Trust Company, Byron, was established last year in the Liberty Union High School. It is becoming one of the most active organizations of the school. Miss Florenz Mane supervises the banking.
THE RIFLE CLUB

The Liberty Union Rifle Club was started in 1928. The purpose of this club is to train the members in the use of the rifle and the perfection of marksmanship. Membership is granted to the boys of the school who have high standing in scholarship. Mr. Vonder Ahe is the sponsor of the Club. A rifle shoot was held April 26 at the Balfour Athletic ranch.

Stray Cats, a three act farce comedy by Leslie Carter was cleverly presented by the student body on the evening of March 14. Miss Louise Blake directed the play. The hero of this play is a young photographer, of good family, high hopes and little money. A wealthy old aunt dies, leaving four and one half millions to her favorite nephew, our hero, providing he is married by midnight of the day he receives the news. He then proceeds to become engaged to three girls.

The girls compare notes and he finds himself in several complicating situations. Meanwhile the audience is aware that the hero's office girl is in love with him. Fortunately, he realizes this in time and with the aid of her, outwits the three scheming "Stray Cats." The hero and the office girl are married by 11:57 P. M.

SENIOR BALL

The annual Senior Ball was held May 28 in the auditorium. Greens and flowers were used for decorations. The music was selected by Harry Cordua and as is customery the Ball lasted from 9 until 2. Punch was served.

The committee included Henry Martin, general chairman; Sayde Cooper, Rena Ohmstede, Geraldine Rowe, James Columbo, and Donald Jacobson. Miss Louise Blake was the advisor.
Informal Parties

Changes in the Student Body constitution have made it necessary to have several informal parties and only two important dances during the year. The auditorium of the Liberty Union High School has been the scene of these frolics.

It is interesting to note that a larger percentage of the student body has attended these gatherings than heretofore. On such occasions students have had an opportunity to learn to dance and to enjoy themselves under faculty supervision. A two piece orchestra was provided for each party, and simple refreshments were served.

The sophomores were hosts to the juniors on September 8. The seniors gave an invitational party on November 14, and the juniors, an invitational party on January 21.

The seniors sponsored a skating party on January 14, at the Roller Rink, Brentwood.

Theater Party

The English Four Classes made a trip to San Francisco on January 4, to see "Macbeth" which was presented by the Stratford--Upon--Avon Festival Company at the Columbia Theater.

The students made the theater party an occasion to make a tour of San Francisco visiting the Shakespeare Garden in Golden Gate Park. The unusual atmosphere of the Russian Tea Room made it a most enjoyable place for lunch. After the theater, the students had dinner at Girard's French Restaurant. To finish the day, a quaint puppet theater was visited where the students saw Moliere's "Don Juan." The eighteen students were chaperoned by Miss Louise Blake.

JUNIOR PROM

The annual Junior Prom was successfully held on the evening of March 28 in the school auditorium. The auditorium was turned into a garden, with garlands of green leaves and tamarack extending from the ceiling to the side walls, where there were trellises of roses. The stage was transferred into a rose fenced cottage and flower boxes were placed in all corners. Clarke Briggs' five piece orchestra of Stockton played. Punch was served.

The Prom was under the direction of Helen Webber, general chairman, Virginia Carpenter, Della Crocco, Lee Collins and Byron Houston. Miss Margaret Hanley was the advisor.
Freshman Reception

The annual Freshman Reception was held October 11 in the auditorium. The incoming class was initiated and made to participate in stunts, much to the amusement of the audience. A skit was presented by the senior class entitled, "Household Hints." "At the Stroke of Twelve" was the junior class play. "Better Half and Worst Half", and "Levy Goes a Hunting" were curtain raisers by the sophomore class. Mr. E. C. Nash gave a welcoming address and the band entertained with several numbers under the direction of Miss Marie Quinn. Refreshments were served. Dancing followed, with music furnished by the Five Red Hot Peppers.

Hi Jinx

The Tenth Annual Hi Jinx was held December 6, in the auditorium. The Hi Jinx is the most important function of the year. At this time members of the community and business firms donate articles to be auctioned. The element of chance makes this affair most enjoyable and profitable.

The program was composed of one act plays, a skit, and several specialty numbers. The auctioning and dancing followed. This year the music was furnished by the Five Red Hot Peppers. Mr. R. I. Deeney was the auctioneer.

The following program was presented:

Parent's Night

The annual parent's night was held February 15, in the school auditorium. In past years this night was for the purpose of exhibiting student work, including projects and posters. It has been proved that it was too early in the year to display the best of the work.

This year certain teachers sponsored the program. Mr. Virling Hersey, State Superintendent of Schools was the main speaker. This evening was enjoyed by all. Refreshments followed the entertainment. The program given was:

1. Masters of Ceremony — Mathematic Classes (Mr. Vonderlihe)

Broadcaster Night

The 1950 Broadcaster appeared on the night of May 25. The staff made this a gala occasion by not issuing an annual until after the program of two one act plays and a skit was presented.

This year the students have succeeded in making the
Broadcaster a credible expression of the school year. Here
before this magazine appeared semi-annually. Although the
book is not printed, the staff secured an excellent quality
of paper and a number of pictures. All the art work is
original and the typing, mimeographing and mimescoping were
done by the students of the commercial department. The
majority of the work on the annual was done during extra-
curricular time.

The staff wishes to thank all those who have helped in
any way to make the publication a success. Mr. Sam Hill of
Brentwood was the binder.

The following program, with additions, was presented on
Broadcaster Night:

The Coach's Message

Boys, of Liberty Union High School, you have a fine new gymnasium, a new athletic field soon to be developed, and an exceptional administration to back you in your athletic program.

Your past year has not been successful from a winning standpoint but build your victories of tomorrow upon your defeats of yesterday.

But pause, perhaps after all, the past year has produced many victories if they can be brought to light. Has not the competition been enjoyable, has not your physical development been advanced, have you not gained ideas of sportsmanship and cooperation through teamwork, have you not learned to take hard defeat and keep on smiling, have you not learned to put yourself in the other fellow's position? Then, if your answer is "yes" to these questions, the benefits derived will prove to be of far greater value in later life than the winning of a few games.

Mr. Frank Vonder Aho
SOCCER

Liberty 0 vs Danville 2
Liberty 3 vs Danville 4

Liberty played only two soccer games this season, both of which were with San Ramon High School, Danville. The first game was played on Liberty's field, and much to the disappointment of the school, resulted in a 2-0 victory for Danville. The teams were evenly matched as a whole, but Danvilles' greater accuracy in goal kicking gave them the game.

Liberty went to Danville for the return game and was again defeated by a score of 4-3. In this game Liberty made a better showing but was outplayed.

The soccer team was composed of: Columbo, Martin, Burroughs, Townsley, Mantelli, Post, Mikkelsen, Minta, Mathison, Rose, Vierra, Walker and Trembley.

The unlimited team was not as fortunate as the midget team. Every man fought to a finish but was outclassed by the experienced players of other schools. The games were exciting and thrilling. Columbo made a good showing. The unlimited team hopes to win the championship next year.

The regulars on the unlimited team were Collins, Columbo, Jacobsen, Houston, Post, Bonnickson, Rosa and O'Meara. The players that made their letters in this sport were Collins, Columbo, Houston, Jacobsen and Post.

The first game of the Liberty Union High School limited basketball team was played on the Antioch floor. This was Liberty's first year of basketball since 1926. Unfortunately, the local team lost due to lack of experience. Liberty will do its best to make up for this year's defeat and will try very hard to put out a championship team next year.

The men making their letters in the B limited team were: Cordua, Devalle, Walker, Karrer, Mikkelson, and Trembley.

Three practice track meets were held this season. The first one was with Pittsburg March 28 on the home field. A triangular meet with Concord and Pittsburg was held April 5 at Concord. Tracy was the scene of the third meet. On this occasion, high schools from Alameda county and Contra Costa county competed.

CLASS B TRACK

The Class B track meet was held on April 12 at Martinez. Pittsburg won the meet with 60½ points and Brentwood was 5th with 8 points. The point makers for Brentwood were Elmer Armstrong and De Mello. Armstrong took first place in the shot put, heaving the 8 lb. iron ball 42' 8\(\frac{1}{2}\)" and De Mello took second place in the 160 yard low hurdles. These two boys were the only ones to make their letters in this sport.

COUNTY TRACK MEET

Concord came in second with 48, Martinez third with 25 points, Brentwood fourth with 11 points, Antioch fifth with 10½ points, Danville sixth with 6 points, and Crockett failed to score. Columbo took first place in the shot put with a put of 45' 5\(\frac{1}{2}\)", breaking the old record of 43' 7" which has stood

Baseball

With the coming of spring there comes the call of baseball and Liberty is confident that it can make a credible showing. The following lettermen will be conspicuous in the line up: Gambs, Trembley, Columbo, Cordua and O'Meara.

The lineup for this year is as follows:

Antioch

The first league game of the season was played with Antioch, April 8, on the home field. Liberty won the game with the score of 13 to 11. The game was very depressing in the first few innings, but Liberty finally came out on top after a hard long struggle. Antioch had a lead of 9 to 1 in the first of the sixth inning. In the last of the 6th and 8th inning Liberty made a rally and the game ended with the score of 13 to 11. The most outstanding hitter in the game was Bonnickson who received 5 hits out of 5 times at bat and made 4 runs.

Concord

The second game was played with Concord at Concord on April 24. Concord won the game with the score of 22 to 10. This was one of the days when Liberty had an off day and the team did not make a very good showing. Liberty started Trembley on the mound, but in the second inning he was replaced by Houston, who finished the game.

Crockett

Crockett was victorious in the third game, played on the homefield with a score of 22 to 5. Liberty was outplayed but hopes to be more successful next year.
Several more games played after the annual press. These games were with Martinez, Pittsburgh, and Danville.

Girls' Tennis

A great deal of enthusiasm has been shown in girls' tennis this year. At the beginning of the year about fifteen girls were out for the tennis class, and after eliminations were made, ten remained. A tournament was held within the class to decide the personnel of the team and the following girls succeeded in making places:

Nola Frey
Ruby Frey
Florence Gilhart
Lillian Larson
Elaine Ramos
Theo Ella Thompson

Miss Evelyn Higgins is the tennis coach.

Municipal Baths Tennis Match

An exchange match was held with the Municipal Baths tennis club of Stockton, April 15 at Brentwood with the results in favor of Liberty. A return match was played on April 29 at Stockton. This time the score was in favor of the Stocktonians. Girls who won sets were Lillian Larson, singles, and Lillian and Theo Ella Thompson, doubles.

Antioch

A courtesy practice match was arranged between the Antioch first team and the Liberty first and second teams on April 3 on the home court. The Liberty first team, Lillian Larson and Theo Ella Thompson, won from Antioch by 6-0, 6-0.

Martinez

The first match of a series to be played with Martinez was held on May 8 on the home court. Three girls were sent by the opposing team. Lillian Larson lost the singles by 7-5, 6-3, and Nola Frey and Theo Ella Thompson lost the doubles by 6-3, 6-2. Liberty hopes to come out better in the return match as the team was a little out of practice.
LITERARY

HAVING ARRIVED AT THE AGE OF SIXTEEN

I, William Shakesword, an actor, recently visited a fortune teller. She prophesied that my door is near unless I write a document pertaining to my profession. So, on this night, November 20, 1589, I write this chronicle, relating to my part today in a certain play, Titus Andronicus, a gentle tragedy.

At half past noon, I dressed myself and made ready, for I was to be the first man on the stage. I confidently walked on the stage. My confidence was soon lost. One of the fops seated on the stage pulled at a cord which released the trap-door from under me. I got up and kicked the smart one off the stage, reciting my lines all the while. The young gallant soon recovered his prestige in the eyes of his comrades by making a cutting remark about my doublet and my probable ancestors. Then I went off stage and changed my clothes, which were dripping with bad eggs and moist vegetables.

I looked out through a peep-hole at the milling crowd. In the back rows, I saw numerous pickpockets, busy plying their trade. In the boxes, there were boys peddling ale and apples. The gay wits on the front of the stage were throwing small coins to the poor in the pit. The larger and more muscular always got these. Many kicks and rough blows were
exchanged for the possession of a farthing or two.

But now the sky became overcast. The people in the pit noticed it, too. They frequently glanced upward, and one or two of them left.

Our leading lady, a boy yet in his ’toons, came on the stage. He was doing his part well and received much applause until he was making his exit. Then a loose nail caught his petticoat and the whole audience laughed. The boy, no doubt, heard the rip, too, for he blushed a deep crimson.

After a short time, the play was over and our jugglers put on their act. Then the audience stumbled out to the screeching of a fife.

Now my conscience is clear, and I shall sleep well tonight.

Signed and sealed this night of November 20, 1589, by
William W. Shakeswurd

HOW THE LIBERTY UNION HIGH SCHOOL ORIGINATED.

Once there lived in Diablo Valley an Indian chief named Ignorance. He was an old bent and crippled man who lived in a very dirty wigwam. He had all the people of this valley under his sway. He treated them as slaves, and they would have liked very much to be rid of him.

In another part of this valley lived a young chief named Knowledge, who was at the head of a very noble tribe. The people of these two tribes had long wanted to join each other and make one powerful tribe, but old chief Ignorance would not permit it.

One night Ignorance attacked the village of Knowledge. In the battle that followed, Ignorance was killed.

The people of the two tribes then joined each other, and to remember this joining of the two tribes, they erected a building and named it Liberty Union—Liberty because they had been liberated from the slavery of Ignorance, and Union because they had been united. It was later used as a high school, so the name came to be known as Liberty Union High School.

LAST WILL AND TESTAMENT OF A TURKEY

I, Gobbling Jerimiah, on this 21st day of December, in the year of our Lord 1929, being convinced that the end of my earthly career is fast approaching, do will and bequeath my various pleasures as follows:

1. To my distant acquaintance, Chanticleer, I will my appreciation of the many wonders of nature, acquired while observing many beautiful dawns and sunsets from some high tree top or hill.

2. To my friend Rex, the sheep-dog, I bequeath the pleasure I have derived from solitary communion with the moon, from my bare roost in the dead oak tree.

3. To a good friend when, alas! I fear will soon be in the pork-barrel, I will the enjoyment I derive from the mastication, inwardly, and digestion of good food, with the hope that he will make good use of it, while he continues to exist in his present form.

4. To all succeeding generations of gobblers, I will and bequeath my ability to stride proudly among female associates, strutting and gobbling, to the glorification and fame of our race.

He stood beside the road in a cold drizzling rain. He languidly waved his hand at the passing motorists. He was just an ordinary road bum. Presently one man took him aside and was surprised to learn that the bum had stood there two hours and had flagged over ninety machines before he finally made a sale for a ride.

Oh, what wonderful things that persistence could have accomplished if directed along the right channel.

We hope that none of our students or community friends will let a road bum best them in striving to accomplish good.
